Deferred Payment Agreement For Delinquent Water Bills

- A. The TCSUD may offer a Deferred Payment Plan to a Customer who cannot pay an outstanding water bill balance in FULL and is willing to pay the balance in reasonable installments, as determined by the General Manager, including any late penalty fees or interest in the monthly balance per the payment-agreement. The Deferred Payment Plan will be offered if the Total Balance owed by the Customer exceeds his/her Deposit with the TCSUD.
B. The Term of the Deferred Payment Agreement is not to exceed ninety (90) days. The five percent (5%) Deferred Payment fee will be assigned to such unpaid balance as exists over the 90-Day period. The Customer will sign a Notarized Agreement of Scheduled Payments with the understanding that water service will be terminated if payment is not received within ten (10) calendar days after the due date. Payments made by mail will be considered late if postmarked after the due date.
C. Only one Deferred Payment Agreement will be allowed per any 12-month period per Customer. All water bills due and payable during the 90-Days that the Deferred Payment Agreement is in effect shall be paid on time and in accordance with these Policies.
