

TYLER COUNTY SPECIAL UTILITY DISTRICT

12139 FM 92

Spurger, Texas

(409) 429-3994

The Tyler County Special Utility District (TCSUD) is a Governmental Agency (State of Texas) that supplies potable water to Customers primarily in Tyler County, Texas. The District consists of Water Production Facilities (Groundwater Wells) and over **250** miles of Water Distribution Mains, that provide water service to a population of approximately **5,000** people.

The Areas served by the TCSUD are listed as follows:

- Fred (some Customers reside in Hardin County)
- Hillister
- Spurger
- Town Bluff
- Wayward Winds
- Dam-B
- Highway 190 Booster Station (residents along 190 – toward Woodville)
- Highway 256 (residents along this Highway)
- Rockland
- Dies (Colmesneil)

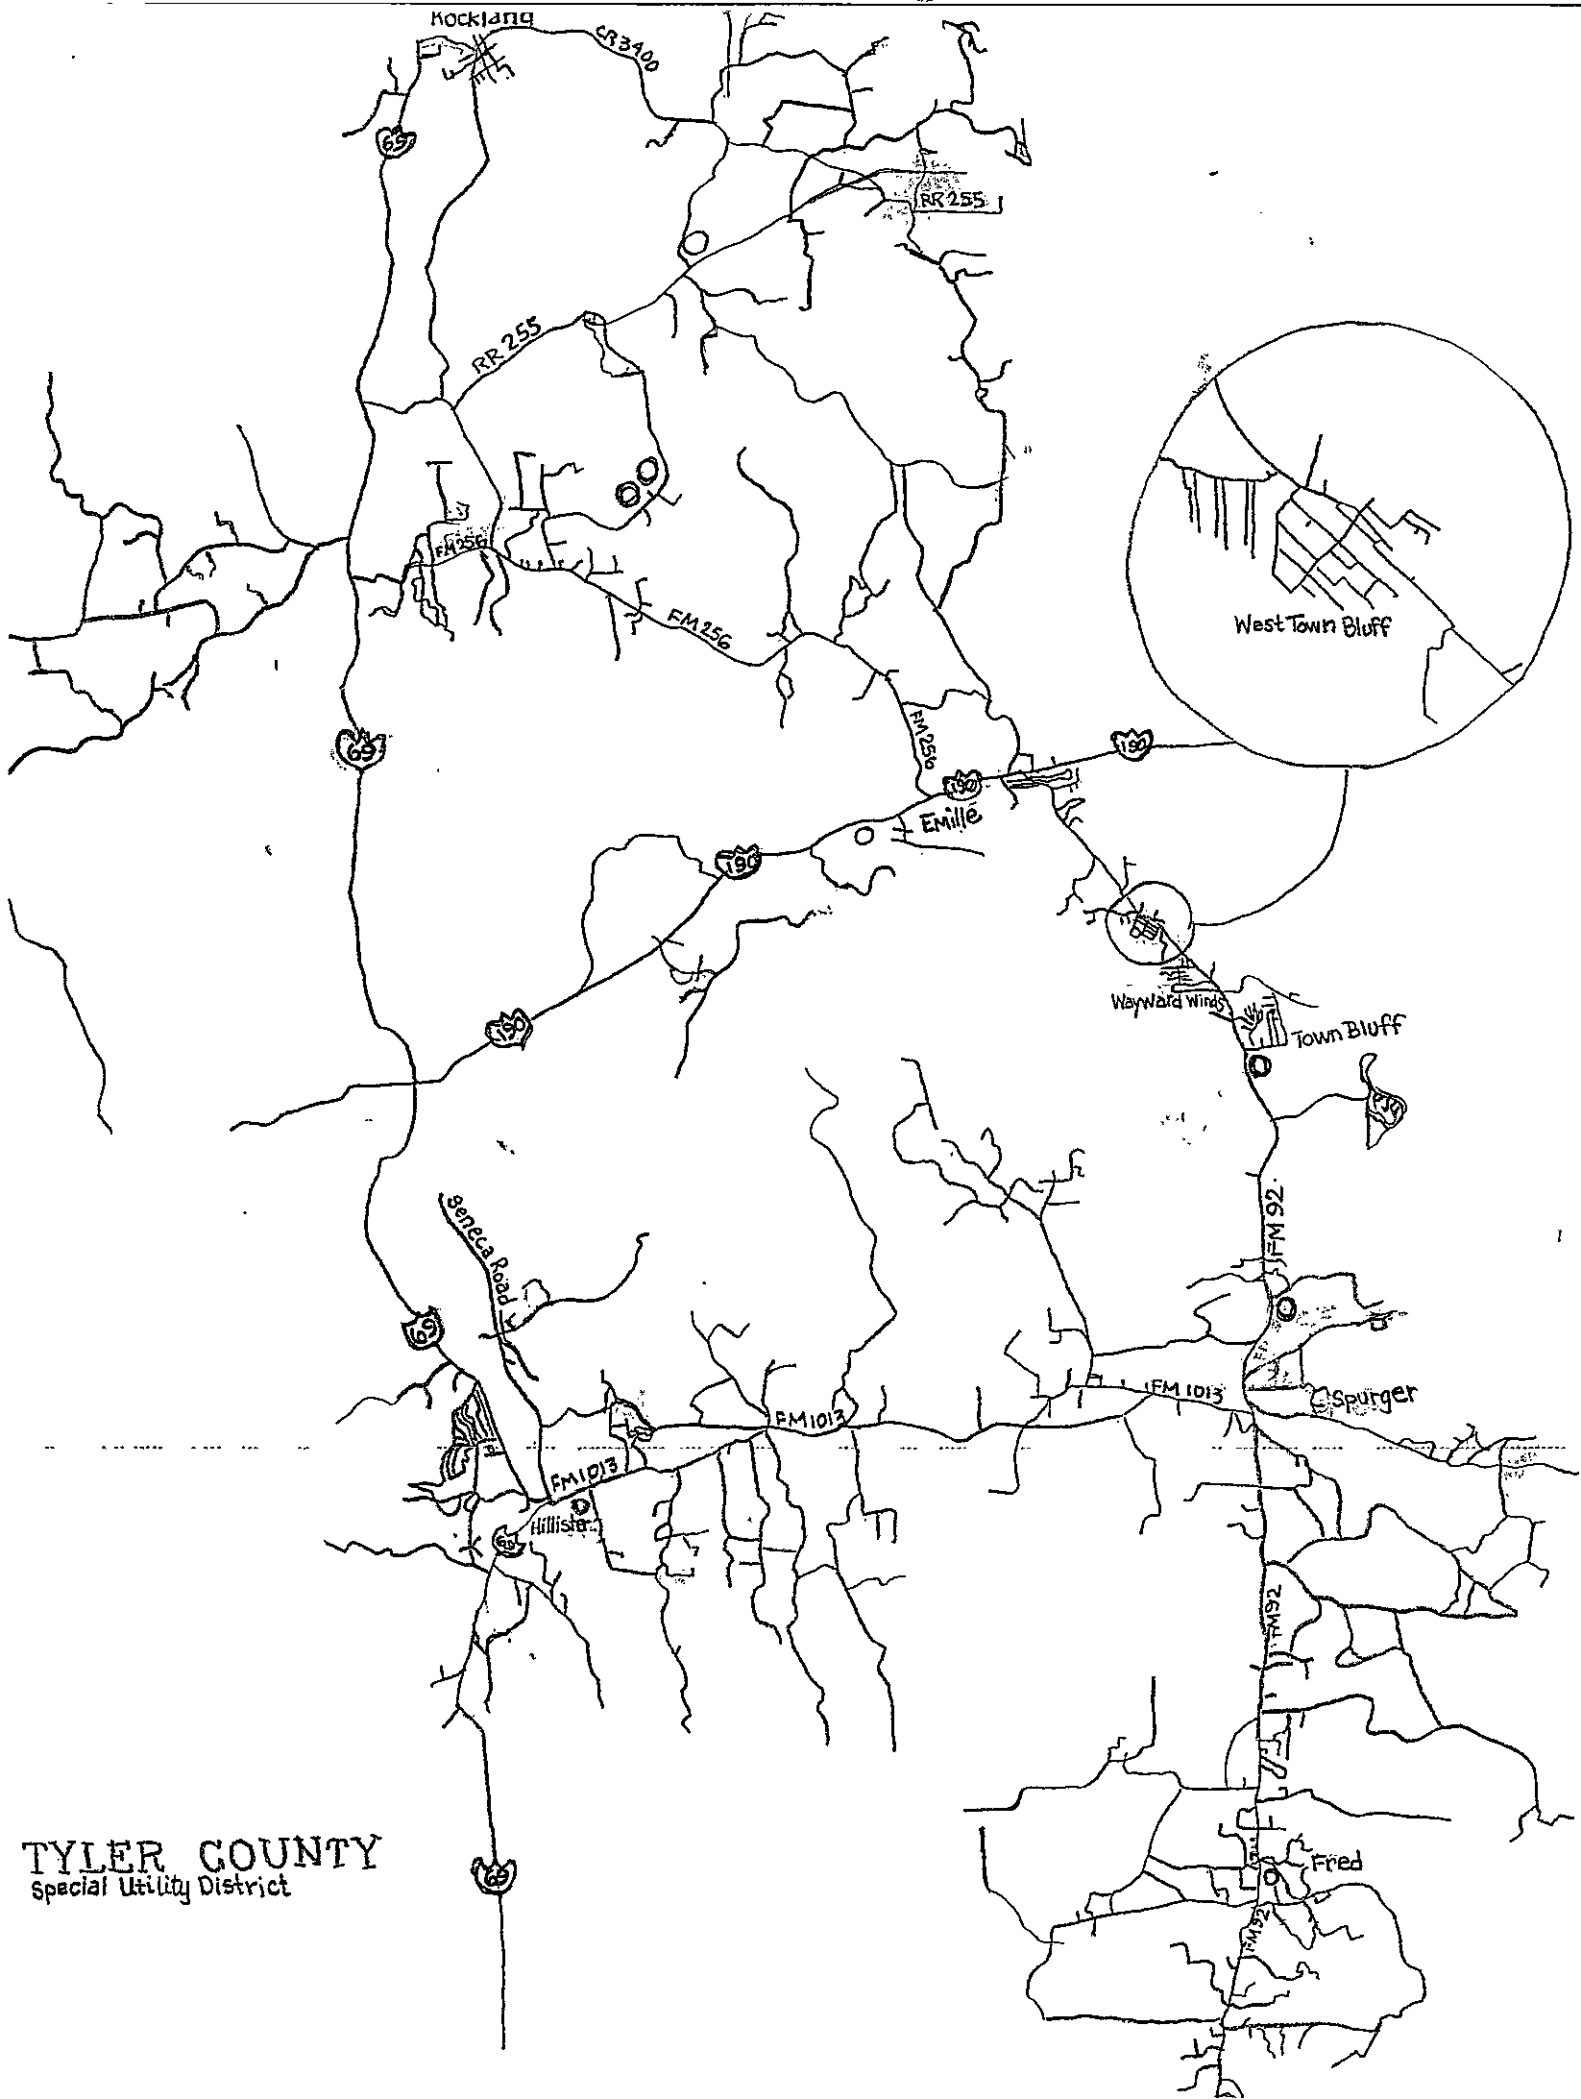

PLEASE NOTE the enclosed Map of the TCSUD Water System.

Please contact the TCSUD Office (409-429-3994) if you have any questions.

Thank you.
